Interested in a Young Alumnae Weekend?

Here at camp we have been discussing the idea of having a Young Alumnae Reunion. This would be for any former Skyline camper or counselor; from Seniors in college to around age 40. We would spend the weekend doing activities including ropes course, circus, horseback riding and more! We would also hide the horseshoe and maybe even have a friendly game of Sock War! Before we start planning we want to see how many of you would be interested and what time of year is best. Please post on the [discussion board](#) of Skyline's Facebook Fan Page if this sounds like something you would be interested in!

Know Someone Who Would Make A Fantastic Counselor?

Skyline is looking for variety of well-rounded women to be on staff next summer! Do you know anyone that might be interested? If so, have them check out our website.
